SUN BEAMS ON THOUSANDS WHO COME TO SEE CENTENNIAL PARADE

Combination of Friday, the Thirteenth Hard to Overcome and Weather Threatens.

BUT CLOUDS KINDLY GIVE WAY

Immediately After Parade Miss Dorothy Mulno is Crowned Queen of Centennial.

LAST EVENT IS TOMORROW

George Gifford of Tipton Sings the Praises of His Home County in Speech This Morning.

Probably few realized what a combination the Rush County Centennial, Home Coming and Fall Festival was going up against when the program committee set the feature of the week—the Centennial parade—on Friday, the thirteenth, but this was a day that proved the rule and clouds and rain that threatened to mar the occasion kindly gave way before a bright sun which beamed benignly on a crowd of several thousand people that lined the streets and watched the parade—the supreme effort Rushville and Rush county is marking the celebration of Indiana's hundredth birthday.

The parade moved promptly at 2:30 o'clock and was a display that has seldom been seen here. Although many of the floats were industrial in their makeup, the Centennial was the prevailing thought that actuated all of the creations on wheels. Practically every interest in the county was represented in some way. The fraternal orders took a prominent part. The music was taken care of by three bands—the Odd Fellows, Arlington's, and Ziedman and Pollie show band. Immediately after the parade, Miss Dorothy Mulno was to be crowned queen of the Centennial at the platform at Main and Second streets. She was selected by a large plurality in a popularity voting contest.

The only prize awarded was a silver loving cup which was to be given to the best school float. Each building in the city and the Catholic school competed with each other and against the township schools, one to the township. The judges who were to award the loving cup were Arch Davis of Newcastle, Tom Beall of Newcastle and H. B. Smith of Brookville. The best celebration Rushville has held in years will draw to a close tomorrow afternoon when more than \$1,000 worth of seasonable merchandise will be awarded by the merchants of Rushville, promptly at two o'clock. The drawing will take place on the platform at the corner of Main and Second streets. Rules surrounding the drawing are announced elsewhere in today's issue.

The chorus from Washington school, which sang so well yesterday morning, sang again this afternoon at two o'clock and tonight an addition to the program will be several numbers by the high school boys' glee club.

Opening the program this morning a chorus from the Catholic school sang an Indiana song, George Gifford of Tipton, a former Rush county man, spoke and the chorus sang two other Indiana songs. All were loudly applauded. Samuel L. Trabue presided and introduced the speaker.

"I was struck by the beauty," said Mr. Gifford, "of the song just sung by the school children, 'Indiana we are proud of thee.' I might add 'Rush county, one of the galaxy of queens in Indiana, we are proud of thee.'"

"Six years or so ago I was invited to a home coming at Rushville and I never lose an opportunity to come back. I then had the privilege of hearing that fine old man, Joe Cannon, make a speech. He told a story

that was so good that it will bear repeating here.

"The scene was an old-fashioned Methodist revival. The evangelist asked all who wanted to go to heaven to stand up. All stood but one young man. He then asked to stand all that wanted to go to purgatory. No one got up. Finally the evangelist asked the young man why he wanted to go neither place. 'I want to go back to Rush county,' said the young man, and then 'Uncle Joe' declared that he could never understand why that young man wanted to go back to Rush county until he had come here and had seen the thousands of people at the fair ground, and the quality of them.

"There are many reasons why I like to come back. A boy or girl raised in the country instinctively has a love for that country. Patriotism is inborn. I may be hyphenated, but I imagine that my own fertile county is half of Rush county moved up north. The soil is just as fertile and frequently, while out in the country, I imagine I am up about Raleigh or Falmouth.

"I have many reasons, likewise, for loving Rush county. From the time of the first consciousness, every impression of a boy or girl is keen and lasting. The first piece of stick candy is better than the best chocolate of later life, the ham and eggs had a better flavor, the appetite was better, and, in fact, the old man thinks the girls were prettier than they are today. We had an imagination. Sometimes we old fellows color the days gone by a little, but there is enough honest truth in it for its present telling. The chase after the dollar dulls the sensibilities and we are not apt to appreciate the poetic beauties of nature as we did in our youth.

"Another thing, too, there were no pikes and farms in my boyhood in Rush county such as there are now, but I like to think of the grand old citizenship that was here at that time. Look at the monument they built up to their industry, honesty and intelligence. When I think of the Halls, the Freemans, the Caldwelles and hundreds of others I could name, I can see why this monument was built up. Down near Milroy there were the Tompkins and Bowles families, over east the Frazeees and farther down the Wykoffs and Hinchmans. And so it is all over the county. The old pioneers came here and struggled with the hardships nature thrust on them and were finally victorious. When we think of the Pughes, the Arnolds and others we do not wonder at this beautiful county seat.

"I am proud to see coming from this county such men as James E. Watson, General P. A. Hackleman, Luther Benson with all his faults, Judge Morris and others. They are men that we are proud of all over Indiana.

"But the labor is not all done. There is a mission before the people of Rush county. I would like to impress this upon you. Where it used to, in my boyhood, take a day to come to Rushville and go back to Falmouth, farmers today can wait until after supper, jump in their machine and run to town to do their trading. If they want to transact some business which does not need their presence, all they need to do is ring up on the telephone.

"But with these changes come new responsibilities and new demands. When we got gravel roads, we thought we had about all that could

SPECIAL CAR TO CARRY RED MEN

Delegation Will go to Indianapolis Tuesday to Support M. S. Cox's Candidacy

PROSPECTS TO WIN ARE GOOD

On account of the large number of Red Men and friends of Miles S. Cox, who will be a candidate for great keeper of wampum at the great council of Red Men in Indianapolis next Tuesday, wanting to attend the session arrangements have been made for a special car on the I. & C., leaving the station here at 6 a. m. and arriving in Indianapolis in good time for the opening session. A special rate of \$1.25 has been made, which is expected to attract a large crowd. The tickets will be good going only on the special, but may be used on any car on the return trip any time three days after the time they are purchased.

Considerable interest in the candidacy of Mr. Cox is being manifested and those who are most active in their support of him feel that he is sure to succeed. Meetings held throughout the county and by neighboring tribes have been marked with enthusiasm and much assistance is expected from the sister tribes. Mr. Cox has a good organization and with the enthusiasm of the large number of supporters that are expected to attend, it is believed that he has a fine prospect to win. Everyone that can do so, is invited to go on the special.

TWO ATTEMPTS TO ROB WEAKLEY HOME

Burglar is Frightened Away Both Times, Gaining Entrance at Each Trial

SAID TO BE MORE THAN ONE

Two unsuccessful attempts were made last night to rob the residence of Walla Weakley in North McClaren street. The first attempt was made about eight-thirty o'clock. The robber entered the lower hall of the Weakley home, turned on an electric light and then went upstairs. He evidently thought there was no one at home, but Mr. Weakley happened to be there and the man got out before Weakley could get to him.

The second attempt was made at about ten o'clock. This time the robber again went upstairs. Mr. Weakley got a description of the man on his second visit. Nothing of value was taken. The man entered the house from a rear door that separates the residence from the bakery, which is operated by Mr. Weakley. Mr. Weakley believes that more than one man was in on the deal as the family heard several voices on the outside following the second exit of the would-be robber.

EDUCATION DAY OBSERVED

Indianapolis, Ind., Oct. 13.—Education day was observed in connection with the Indiana centennial celebration here today. About fifty colleges and universities of the state were represented in the celebration at the fair grounds.

The 40,000 school children of this city were given a holiday to participate in the exercises.

The Norris bridge north of the city which has been recently built is finished and now open to traffic.

UNDECIDED AS TO PLACE OF TRIAL

Big Four Officials May Bring John O. Storey Here—His Partner Confesses

TELLS OF HOLDUPS HERE

Big Four railway police officials are as yet undecided whether to bring John O. Storey, held in Bloomington, Ill., as the man who held up members of two train crews in this city, back here for trial or try him in Illinois. C. W. Wait, chief of the Big Four police in a brief conference yesterday afternoon with Chief Yakey, stated that they were willing to bring him back here and the only thing that was holding them up was the Pennsylvania detectives. The Big Four people want the Pennsylvania officers to identify the man and then the place of trial will be determined.

According to Capt. Wait, the Big Four people have a confession from the partner of Storey, a man giving his name as Williams. Williams told of the operations here in which they held up the crew of a Pennsylvania train, south of the city and then came back here and held up the Big Four train crew. Storey does not know of the confession of Williams and has stoutly denied any connection with the crimes since his arrest. The officers believe there is little chance of his escaping punishment.

AGAIN FILES SUIT FOR CONVERSION

A. P. Walker Seeks to Recover Stock he Alleges Purchased in Glove Company

IT WAS ONCE DISMISSED

Alpheus P. Walker, of Indianapolis, a former resident of this county has again filed suit for the conversion of stock against Arthur B. Irvin and the Rushville Glove company. A similar suit was filed here some years ago and taken to Newcastle on a change of venue. When the case came to trial there the defendant appeared with witnesses but the plaintiff was not ready for trial and the case was dismissed. It is understood here that the costs in the Newcastle case remain unpaid.

Walker alleges that on September 1, at the solicitation of A. B. Irvin, who was president of the glove company he purchased 20 shares of stock paying Irvin the sum of \$2,000. Walker claims that the certificates of stock were never issued to him and now he demands the amount of the purchase price together with any dividends that the company has paid and six per cent interest, making a total demand of \$3,000. Walker is represented by Henley, Fenton and Joseph of Indianapolis and John Tittsworth of this city.

TALK OF A NEW BUILDING

Estimates today placed the loss in the fire at Milroy yesterday afternoon at \$2,500, with no insurance. All but a pool table and the cash register in the Richey pool room was destroyed and most of the furniture at the Eureka club was burned. There is already talk of a new building going up on the ruins of the two old frame dwellings. One report is that there will be a new garage in Milroy, and another that another bank may be located there.

TRAINS COLLIDE IN LOCAL YARDS

Big Four and Pennsylvania Freight Run Into Each Other at Intersection of Tracks

TWO TRAINMEN ARE INJURED

Pennsy Engine is Shoved Off Track—Worst Wreck at This Place The Scene of Many

The engines of northbound Big Four freight train, No. 56 and southbound Pennsylvania freight, No. 484 collided shortly after noon today at the intersection of the two railroads. These two roads have had more or less trouble at this crossing but the accident today was the worst of any previous wreck. Railroad men inclined to be superstitious blamed Friday, the thirteenth for the accident.

Two members of the Pennsylvania crew had miraculous escapes. The Pennsylvania train was switching in the yards. The engine and a cut of cars, three or four in the rear, and pushing a coal car, ran on to the crossing. The coal car got over and the engine had moved hardly three feet when the Big Four engine struck.

Lee Dooley and Harry Spicer of Columbus, the Pennsylvania brakemen, were the men injured. Dooley was riding on the pilot of the engine, and Spicer on the coal car, which was being pushed. The Pennsylvania engine and coal car were pushed off the track and to the north by the force of the collision. Spicer saw the collision was going to occur and jumped. Dooley had his back to the approaching Big Four engine and did not know the accident was coming. Dooley was thrown clear of the wreckage and was rendered unconscious.

It is believed that neither of the men is seriously hurt. The peculiar thing is that Spicer, the man who jumped is the worse hurt of the two. He sustained a broken rib and a sprained ankle. Dooley was considerably bruised. Medical treatment was given both men. The fireman of the Pennsylvania engine was thrown from his cab but was not hurt. The Big Four crew was not hurt.

A long cut of cars on the Pennsylvania house track prevented a clear view of the main track to the north and the engineer of the Big Four train did not see the Pennsylvania engine until too late to stop. The Big Four train which was also a local, was leaving the city and was just beginning to pick up speed when the collision occurred.

The force of the collision threw both engines off the track and it will be a difficult matter to determine which of the two engines got the worst of the argument. The front trucks of the Big Four engine are completely torn away. The front was also badly battered and was carried about three feet from the rails. The rear trucks of the coal car, or the truck closest to the engine was derailed and the car thrown over on one side.

The force of the collision threw the Pennsylvania tracks out of line and one rail was completely cut into. A mess of twisted and bent iron was under both engines, and traffic was delayed several hours. The Pennsylvania sent its steam crane from Richmond and the Big Four wrecking crew was called from Indianapolis in order to clear the wreckage.

News of the wreck spread rapidly and all during the afternoon a large crowd visited the scene. Engineer Hartwell of the Pennsylvania train has been running in tough luck. He was in charge of the engine that last Sunday pushed a car through one of the walls at the Madden machine shop.

WATSON LEADS THE DAY'S COURT

Local Candidate Polls 84 Votes in Allotment Announced by Enquirer Today

H. S. NEW IS SECOND WITH 81

Watson Leads His Opponent by 420 Votes and New is 288 Ahead of John Kern

James E. Watson led on the ballots in the Indiana United States senatorial contest, announced yesterday in the Cincinnati Enquirer straw vote, but today the Democratic candidates won.

The Rushville candidate polled 84 votes yesterday in the ballots taken at New Albany and Bluffton. Harry S. New, the other republican candidate, was a close second with 81 votes at the two cities. John W. Kern, democratic opponent of New's received 78 votes and Tom Taggart, opponent of Watson's, ran a poor fourth in votes from the two places with a total of 60.

James E. Watson is gaining a big lead over his opponent and is daily increasing it. He now has 420 votes more than Taggart. New is leading Kern by 288 votes.

In the Indiana vote, Hughes has polled 2271 votes to Wilson's 1796. Goodrich, the republican candidate for governor, has 2116 to Adair's 1602.

Hughes beat Wilson by 20 in an installment of straw votes from New Albany counted yesterday. On the state ticket Goodrich received 21 more votes than Adair. The Socialist candidate received two votes. In the race for senator Watson led, New was second, Kern third and Taggart a close fourth. Hughes did not lose any Taft votes, but gained eight Wilson votes. Of the Progressive vote Hughes received 32 and Wilson 4. Goodrich gained 32 in the change of vote.

Wilson was the choice at Bluffton. He received 10 more votes than Hughes. Adair beat Goodrich by 5. Kern was first choice for Senator, New second, Taggart third and Watson last. In the change of vote on the national ticket Hughes gained three. Goodrich also gained three.

In the installment of straw votes given in the table today Wilson cut down Hughes's lead by 16. Adair beat Goodrich by 19.

In the change of vote on the national ticket Hughes gained nine. It was the same on the state ticket in favor of Goodrich.

In the race for Senator Kern and Taggart each received 53 votes, Watson 50 and New 42. The Republican candidates for Senator gained seven.

CITY OFFICIALS VISITORS

Hamilton, Ohio Mayor and Others Attend Centennial

Headed by Mayor John A. Holzberger, a party of city officials from Hamilton, Ohio motored here yesterday afternoon for the Centennial celebration, thus keeping their promise made to a crowd from here who went to Hamilton the middle of September to look over a carnival company which was considered for the event this week. Others in the crowd were: L. E. Egry, safety director; Chief of Police Stricker; Louis Hemler, superintendent of the water works; George Brandhoff, J. R. B. Flagg and Simon Liebman.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

MISS ALMA GARVIN TO LECTURE HERE

Head of Home Economics Department of Purdue Will be in Rushville Two Days

LOCAL CLUB BEHIND PROJECT

The Home Economics club of this city has secured Miss Alma Garvin, head of the home economics department of Purdue University, to deliver a series of lectures here next Friday and Saturday. The program has not been completed but the lectures will be given in the court house assembly room, probably in the morning and afternoon of the two days.

Miss Garvin's work is similar to that of the woman's department of the Purdue Short Course that was here last year, consisting of lectures and demonstrations. There is considerable expense attached to an undertaking of this kind and in order to meet this the local club is selling tickets at 25 cents each, entitling the holder to all of the sessions. Members of the club here are working hard to make the meeting a success and thus far have met with considerable encouragement.

The Growing Deficit.

During the first seven days of October, the Wilson administration spent as ordinary disbursements nearly \$9,000,000 in excess of the ordinary revenues. Last year the administration ran behind only \$1,038,000 in the same time. Just why this increase in deficit should be accumulated, is not apparent. It certainly is not due to any excess of official effort in the government business, for a lot of the Wilson appointees are or have been 'off the job' and out on the campaign.

Secretary of the Treasury McAdoo is spending much of his time in conferences with Chairman McCormick and President Wilson over the political situation. Secretary of Commerce Redfield is writing articles for newspapers in an effort to delude the voters into the belief that the Democratic tariff did not hurt American industry and that present business activity is not due to war orders. Secretary of Labor Wilson has been out on the campaign, making speeches intended to line up the labor vote for President Wilson. Assistant Secretary Carl Vrooman, of the Department of Agriculture, who is supposed to look after the practical operation of the Department,

No Longer a Sufferer From Asthma

After suffering from asthma and catarrh, Alfred Quantz, 542 North Seventh street, Hamilton, O., states that he now feels as strong and healthy as anyone. His letter, which follows, explains fully:

"I wish to advise you of the wonderful results I obtained from taking Nacor. I had suffered from asthma and catarrh and the doctor had advised me that my lungs were weak. I was losing in weight, coughing and expectorating, and had pains in my chest.

"I began taking Nacor on April 5, and after I had finished about one-fourth of a bottle, I could eat and sleep better. I gained from two to three pounds a week. After I had finished the bottle, I stopped coughing and even gained more in weight and strength. I now feel strong and as healthy as anyone, and my doctor upon examination, stated that I am all right now.

"I thank you so much for your medicine, and if I hear of any one that complains, I will tell them about it."

The original of this letter, as well as many others from local parties, is on file in our office and may be seen by anyone. Get a free copy of "Facts About NACOR," which will give you information regarding the use of Nacor in the successful treatment of asthma, lung troubles, bronchitis, catarrh, impure blood and run-down system. The professional services of our physician are at your disposal without charge. Write M. L. Haymann, 417 State Life Building, Indianapolis, Ind.—(Adv.)

NOTICE TO NON-RESIDENT.

State of Indiana, Rush County,
In the Rush Circuit Court,
September Term, 1916.
Evelyn White vs. Willard Colter, Harry Colter, Fred T. White.
Complaint No. 1018.

Now comes the plaintiff, by Kiplinger & Smith, and Tremain & Turner, attorneys, and files her complaint herein, together with an affidavit, that the residence of the defendant, Fred T. White, is unknown, and that diligent inquiry has been made to ascertain the residence of said defendant, but that said inquiry has not disclosed the residence of said defendant.

Notice is therefore hereby given said defendant, that unless he be and appear on the 27th day of November, 1916, the same being the 7th judicial day of the November term, 1916, of the Rush Circuit court, to be holden at the court house in Rushville in said county and State, and answer or demur to said complaint, the same will be heard and determined in his absence.

In witness whereof I have hereunto set my hand, and affixed the seal of said court, at Rushville, this 29th day of September, A. D. 1916.
(Seal) ARIE M. TAYLOR, Clerk.

is helping the campaign. Secretary of War Baker has been away making speeches. Secretary of the Navy Daniels has been away part of the time trying to save his job for another four years. Cone Johnson, solicitor of the State Department, has also been out on the stump, notwithstanding he is chief legal advisor of the Department that looks after our foreign troubles. Assistant Attorney General Graham is doing politics in New York, where an effort is being made to bring Tammany to the support of the ticket.

With these and many more men high up in the Wilson administration away from Washington, it is difficult to understand why there should be such an increase in expenditures as compared with receipts. While it is true that some of the Departments are sending out vast quantities of public documents printed at public expense and addressed and mailed by government employees, for the purpose of showing what this administration claims to have done for the country, it is hardly probable that such a large amount as \$9,000,000 could be spent in any such way.

Of course, the whole \$9,000,000 is not spent here in Washington. Much of it is disbursed through local government officials in the several states. While those local of-

ficials are forbidden to engage in 'pernicious' activity in politics, they have been informed that here is nothing in the rules to prevent them from exercising their rights as citizens, and most of them understand this to mean that the administration expects them to deliver the goods on election day. That may account for a part of the deficit of \$9,000,000 in seven days, as compared with a deficit of about \$1,000,000 in the same time last year, when no campaign was in progress.

At any rate, the fact remains that the administration spent \$21,894,757 in the first seven days of October, and took in only \$13,033,360, leaving a deficit of \$8,951,397 notwithstanding the new taxes the administration imposed just before Congress adjourned about a month ago.

We put it up to Hundreds of Dentists

Long before SENRECO was offered to you we submitted it to hundreds of dentists, requesting that they put it to every test. Told them that we believed Senreco to be an unusually good dentifrice, especially as to its cleansing qualities and its remedial action on sore, soft, bleeding gums; in the treatment of Pyorrhea, etc. Submitted the formula and asked them their opinion. They tested Senreco from every angle; some going even so far as to make a chemical analysis—

And They Voted Yes

With practically one accord—said:

"Senreco appeals to me more than any dentifrice I have ever seen." "I cannot say too much for Senreco. It's one of the best I have used." "I can recommend Senreco as the best." "Makes the teeth glisten and is free from injurious ingredients, including pumice and grit." "I am indeed glad to get a tooth paste that does the work." "Congratulate you on formulating a dentifrice that gives one a new idea of mouth cleanliness, etc." [These quotations are from the dentists' reports. Originals on file at our office.]

With such endorsements from the men who know; why not go to your dealer today and get a tube of SENRECO—5c. Keep your teeth REALLY CLEAN, and protect yourself against Pyorrhea and decay.

• A copy of the folder, "The Most General Disease in the World" together with a liberal trial size tube of SENRECO will be mailed you for 1c in stamps. The Sentinal Remedies Co., Inc. Dept. B, Masonic Temple, Cincinnati, Ohio.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free.

Solid Mahogany Four Poster Bed

Displayed Over 100 Years Old

It is doubtful if anything has caused more comment than the old four poster bed on display in the Mauzy company's window. It is over 100 years old and is solid mahogany. The bed had not been moved out of one room for 63 years until it was taken down and brought here to the Centennial. It is easily twelve feet tall. The bed was formerly owned by Jerry Becker but is now the property of Ollie Offutt of Arlington.

Other things on display at Mauzy's are: a quilt woven by the grandmother of A. B. Flinn in 1816, candlesticks over 100 years old, grease lamp 150 years old, flute 125 years old, all the property of Mrs. A. B. Flinn; a quilt 80 years old, belonging to Mrs. Ollie Offutt; wedding presents given Mr. and Mrs. John Garvin in 1859, ornament for mantle 100 years old, pipe over 100 years old, work box 100 years old, all loaned by Mrs. William Brown; part of china set 88 years old, steak plate 120 years old, pistol with bayonet over 100 years old, all donated by Mrs. Harry Kramer; a tailor's goose 100 years, candle molds used in 1900, candlestick 104 years old, fan 48 years old, black lace shawl 75 years old and veil worn by Alice Norris' grandmother, fan 40 years old, bonnet 50 years old, a violin made in 1634, all loaned by Miss Alice Norris; a whale's tooth 56 years old, a coverlid over 100 years old, a picture of Mrs. Lucretia Buck, grandmother of Mrs. Ed Lee, a spinning wheel over 100 years old, a scrap book over 100 years old, a minni ball taken up by Dr. John Sparrier during the civil war, a petrified apple taken from a burning house by Dr. Sparrier during the war, trunk over 100 years old, kettle over 100 years old, all the property of Mrs. Ed Lee of Jersey City; a spinning wheel over 100 years old, loaned by Mrs. Anna Beachard, saddlebags used by Dr. Mauzy over 100 years ago, glass globe brought home from the civil war by Captain Frazee, all loaned by Mrs. Sell Webb; a steak plate 125 years old, loaned by Miss Laura Alexander; chair over one hundred years old, donated by Mrs. Bickhart; bonnet 75 years old, footwarmer over 100 years old, both loaned by Mrs. Gertrude Conde; a homespun linen dress, loaned by Mrs. Frank Sample; two bonnets over 100 years old, donated by Mrs. John A. Sparrier; a bonnet 75 years old, donated by Mrs. Harrie Jones; a dress imported from Paris in 1870, the property of Mrs. Will Keck; and English horse pistol found by Elmer Westfall in the mountains of Mexico; cherry stand over 100 years old, loaned by Mrs. Puntene; a scrap book with clippings from the life of General P. A. Hackleman, owned by Mrs. Ira Ayres; a blunderbus gun 125 years old brought from London in 1850; a style book of 1816, the property of Mrs. J. R. Carmichael; a Cincinnati Gazette of 1827, the property of Mrs. Ira Ayres; a quilt designed and made by Mrs. B. F. Morris 75 years ago; clippings from the Jacksonian of 1852; a book 73 years old, loaned by Mrs. E. A. York; one of the lanterns that signaled Paul Revere on his famous night ride over 100 years ago, the property of Frank Sample; a wedding dress 63 years old, loaned by Mrs. Ed Beer; a quilt spun from flax in 1825, hand-woven quilt 68 years old, a lace shawl over 70 years old, all the property of Mrs. William Alexander; a cluster of peacock plumes, owned by Mrs. George Thomas; an old print dress; a piece used to measure yarn, the property of Mrs. F. G. Hackleman; cross stitch work 67 years old, brought from Ireland.

At Weeks Fresh Meat and Provision company is to be found a water bottle over 175 years old, belonging to Ed Haywood; a half bushel measure sealed by Job Pugh, the first auditor of Rush county, who died suddenly while seated at his desk, a pot trample many years old, a wooden square used in the early days, an old Virginia tar bucket carried by the emigrants going west in wagons in the early days and an old wooden bowl, all the property of George W. "EUROPE'S MAD KING" EXPIRES

Otto of Bavaria First Found to be Insane When he Charged Stone Wall With Cavalry.

HE LIVED LIKE A SAVAGE

(By United Press.)

Copenhagen, Oct. 13.—King Otto of Bavaria, "Europe's mad king," died suddenly yesterday at the castle of Furesten where he has been for several years.

The "mad King" startled Europe before he was declared incapable of ruling and was succeeded by his cousin, King Gmdwig, III. During the Franco-Prussian war Otto first showed signs of insanity when he called out a troop of cavalry to charge a stone wall. The stone wall he said was a bossy of French infantry. Later he was summoned by the kaiser and it was reported that a letter was found in his possession which offered to make peace with France.

Several years ago he was imprisoned. He is reported to have lived like a savage, refusing to have his nails trimmed or his hair cut and avoided water and soap.

Tanlac

Muncie, Ind., Oct. 12.—Mrs. Dora E. Lawson, a well known resident of this city, recently offered the following praise for Tanlac:

"For two or three years I have suffered with attacks of extreme nervousness. My appetite was poor and I had no strength. Severe headaches bothered me. At night I was unable to sleep.

"Almost immediate relief came after I started taking Tanlac. The headaches are occurring less and less frequently now. My strength is returning. I get up in the mornings feeling fine now and I'm able to do much more work than formerly."

Tanlac, the Master Medicine, is especially beneficial for stomach liver and kidney trouble, catarrhal complaints, rheumatism, nervousness, sleeplessness, loss of appetite and is fine for building up to health and strength, weak run down people. Tanlac is now sold exclusively in Rushville at F. E. Wolcott's drug store; in Arlington at Mrs. L. T. Davis's; in Carthage at J. H. McCarthy & Sons, and in Milroy at Barton & Sheppard's.—(Adv.)

FOR BIRTHDAY

Mr. and Mrs. George Moore entertained at dinner yesterday in celebration of the birthday of Mr. Moore. With a color scheme of pink and white, the table was prettily arranged, a bouquet of carnations being in the center of the table. A sumptuous course dinner was served. Covers were laid for Mr. and Mrs. Jessie Moore and daughter, Ruby, and Mr. and Mrs. Will Moore of Milton, Mr. and Mrs. John Abercrombie and son, John, Mr. and Mrs. Glen Moore and son, and Mr. and Mrs. Otto Bussard and daughter.

W. R. C. CONVENTION

Mrs. Alice Bainbridge of this city took a prominent part in the district convention of the W. R. C. held in Connersville Wednesday. During the afternoon meeting, the Connersville Corps was inspected by Mrs. Bainbridge. It was the 26th annual convention of the kind and the one next year is to be held in Liberty. Mrs. Mary C. Smith presided over the meeting which convened at 10:30 o'clock; reports were given by each of the chapters; a report of the national encampment at Kansas City was given. Mary Little of Connersville was elected as president for the coming year.

Excellent meals were served to the seventy ladies attending. Supper was served at the Presbyterian church.

PRETTY DANCE

Perhaps the prettiest dance of the week so far was the one last evening at the skating rink, when the most formal of the nightly dances of the week was given. An immense crowd of about 75 couples enjoyed the party throughout the evening and prominent among the dancers were the many out-of-town guests who motored to this city from Connersville, Indianapolis, Greensburg, Shelbyville and other surrounding towns. Sherman's three piece orchestra played lively music during the course of dances. Decorations in keeping with the other dances of the week were used. Autumn leaves and American flags and colors, suggestive of the season and occasion adorned the huge place, which was arrayed for the pleasure of the guests. Several of the many out-of-town visitors were the Misses Myrtha, Lou and Frances Kerchival, Laura Goyerte, Ruth Sefton, Mr. and Mrs. D. Batterton, James Latham, Carl Zoler, Zip Finley, Pete Megee, Mr. Mitchell, Louie Dambert, Alex Levenstein of Greensburg, Miss Corinne Shrader, Don Waney and Donald Gray of Connersville, Miss Mary Bookwalter of Indianapolis, Mr. and Mrs. Erle Hamilton of Kingston, Morris Drake, Earl Porter, George Birely, George Raymond and Horace Wagoner of Shelbyville.

SURPRISE ON MISS MCKEE

The members of the Mission Circle of the Christian church at Orange surprised Miss Kathleen McKee daughter of Mr. and Mrs. John McKee at her home 3 miles south of Orange last evening, the event being in honor of her 13th birthday. The regular meeting was carried out. The interesting program was followed by a business session and the service of delicious refreshments. The next meeting of the Circle will be at the church in one month.

LUNCHEON

Mrs. Walter Reinheimer was hostess for the pretty luncheon given at the Scanlan House today in honor of Mrs. Canfield of Aurora who is the guest of Mrs. John Kiplinger. Pink and white was carried out in the appointments with carnations of these colors in the center of the table. Dainty cards marked the places for Mrs. Canfield, Mrs. Kiplinger, Mrs. Charles Frazee, Mrs. Clarence Cross, Mrs. Rich Reed, Mrs. Hillary Haydon and Mrs. Reinheimer.

BUTTER MILK IN COOKING.

With the increasing use of butter milk by doctor's orders, there has come back, in some measure, the practice of using it in cooking. This is fortunate for the taste as well as for the health. No cakes are more delicate than those prepared with butter milk. Use one and one half more butter milk than the meal or flour. Mix thoroughly and when smooth add a salt spoon full of soda or more if a large quantity of cakes are to be made. Cakes can be made in this way of graham or white flour, buckwheat or rye meal, and all are delicious. There are just two secrets about the use of butter milk in making cakes. The first it, always use enameled ware for the mixing as the acid of the butter milk easily affects metal. The second is, be careful only to use just enough soda to offset the acid.

LET'S CONTRACT ON 2 IMPROVEMENTS

City Council Gives Thomas S. Cauley Job of Paving Alley and Widening Street

HIS BID ONLY ONE RECEIVED

Contracts for paving the alley between Main and Perkins street running north and south between Fifth and Sixth street and of paving the street and alley intersections in North Main street were awarded to Thomas S. Cauley last night by the city council.

The alley is to be paved with cement. The Cauley bid called for the cement pavement at the rate of \$1.20 a square yard and thirty-five cents a lineal foot for curb. This square of alley paving is to be built without any cost to the city excepting the alley intersection. The bid of Cauley was the only one received and was the same as the engineer's estimate.

The work in North Main street is the widening of the intersections at Twelfth and Thirteenth streets and one alley intersection. Sidewalks were recently put in here and the paving of the intersections is to be done to help in the drainage. The bid of Cauley called for brick pavement at \$1.87 a square yard; twenty-five cents a lineal foot for six inch curb and seventeen and one-half cents a foot for four inch curb.

Under the terms of the contract both pieces of work are to be completed by December 1, and the contractor plans to start work immediately. The council met in special session for the purpose of receiving bids on these two improvements.

CITY OFFICIALS IN COURT

Injunction Suit Against Hammond Officers Heard Today.

(By United Press.)

Indianapolis, Ind., Oct. 13.—John D. Smalley and other city officials of Hammond, Ind. today were scheduled to appear before Judge A. B. Anderson in federal court and reply to injunction proceedings brought against them by the Chesapeake and Ohio Railway company of Indiana to prevent the city from interfering with the operation of the railroad. A temporary injunction was issued when the council declared the road's franchise null and void after the railway company refused to construct a new depot.

DYSPEPSIA OF WOMEN

Special Treatment Required.

Many women suffer from a form of indigestion or dyspepsia which does not yield to ordinary treatment. While the symptoms are similar to those of ordinary indigestion, yet the medicines usually prescribed do not restore the patient's normal condition.

There seems to be a kind of dyspepsia caused by derangement of the female organism. While this appears to be the same as ordinary indigestion it can be relieved only by a medicine which, besides acting as a stomach tonic, is good for female ailments. Read what such a medicine did for Mrs. Williams:

She says:—"Before I began taking Lydia E. Pinkham's Vegetable Compound I was troubled with dyspepsia

and bearing down pains in my back and sides, and after my meals my stomach would bloat up till I could scarcely get my breath. At times I was so weak I could hardly stand on my feet and I looked hollow-eyed and my skin was yellow. Now I have a good color, have gained in every way and can do my work without any pains. I think it is the best medicine on earth for stomach troubles of women."—Mrs. NELLIE WILLIAMS, 31 West 3d Street, New Albany, Ind.

BLAMES LIQUOR TRAFFIC

Says We Are Exceeding Speed Limit
in Living in Manner We
Now Are.

(By United Press.)

Des Moines, Ia., Oct. 13.—America is treading the path that Babylon took, and to assure a destruction unless she changes her ways. This was the view of E. E. Violett, world traveler, author and lecturer, in an address last night to the general convention of the Disciples.

"America, last in a long line of mighty nations, cares little for home and state and church but must have revenue," he said. "She is getting it at the price of 190,000 men and women slain, 1,000,000 crippled by the licensed liquor traffic every year; she is getting her revenue at the price of 600,000 young lads starting annually down the Primrose Path; America is getting her revenue at the price of 500,000 young women going nearly to worship at the brothel-shrine, she is getting revenue at the price of cheapened character and broken marriage vows.

"The Sins of American are the ancient sins of buried nations arrayed in the scant raiment of our rapid age. Young America is built for Speed, and she is exceeding the speed limit.

"America scarcely takes the world war seriously except for business reasons. Our murder machine makers, and knights of the nitroglycerine smart set are secure in the

DECLINED AUTO TO RIDE IN STREET CAR

New President of Argentina Turned
Down Offer of Friend Who
Supported Him.

SAYS TAXIS ARE PLENTIFUL

(By United Press.)

Buenos Aires, Oct. 13.—President Irigoyen, who was inaugurated yesterday, turned down the offer of an automobile, of which a friend wanted to make him a present. It wasn't so much the rejection of the gift, for in this respect most Argentines think he was quite right, as the manner in which he did that attracted attention.

The machine was the product of the only auto factory in Argentine, owned by Horacio Anasagasti. This individual's father was a close personal friend and political supporter of Dr. Irigoyen. He also gave large sums to the radical party, of which Irigoyen is the head. The son has known the president-elect since the former was a little boy. Recently he sent an automobile to the doctor, with a message to the effect that it would give him supreme delight if Irigoyen would ride in it to the capital when he was inaugurated, a trip which the president-elect had already announced he would make in a street car.

In returning the machine to Don Horacio, the doctor sent this message:

"Any time I want an automobile, there are plenty of taxis I can hire in Buenos Aires."

WEAK AILING CHILD

Made Strong by Delicious Vinol

Lakeport, N. H.—"Our little girl 8 years of age was in a debilitated, rundown condition and had a stubborn cough so she was weak and ailing all the time. Nothing helped her until we tried Vinol. This is because Vinol contains the tissue building, strengthening elements of beef and cod liver peptones, and glycerophosphates which a weak and rundown system needs.

Part Woman is Playing in Labor in
England Results in Starting
an Investigation.

(By United Press.)

London, Oct. 13.—Is the great part that woman is playing in the labor of the nation affecting motherhood?

The answer to this query, agitating those interested in conservation of the race, will be given as the result of a big investigation set on foot here today.

The investigation, which is authorized by the government, is being conducted by the Women's Industrial Council. On account of the future activity of women workers after the war, the probe is designed to point out what trades, newly acquired by women, are most injurious to motherhood. Recommendations for beneficial legislation in favor of the future of the race will then be made.

"Our chief object is to approach impartially industrial occupations, both old and new, to find out whether the muscular action or the strains and stresses involved in certain processes have an effect on future child bearing of ordinary women workers," said Mrs. H. Taylor, head of the Industrial Council today.

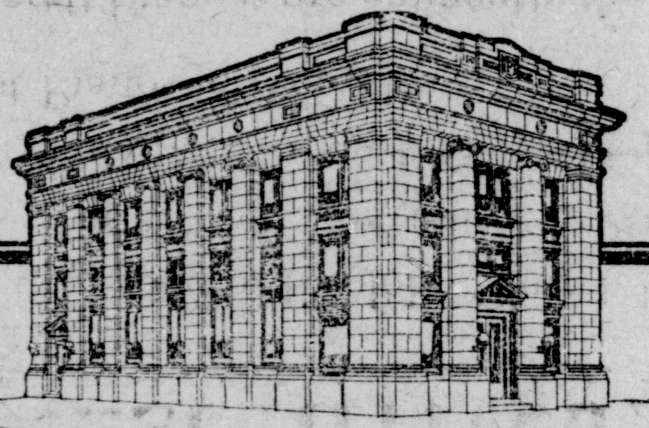

Today's investigation is only one of many which will be launched in favor of England's future generations.

SUN BEAMS ON THOUSANDS WHO COME TO SEE CENTENNIAL PARADE

Combination of Friday, the Thirteenth Hard to Overcome and Weather Threatens.

BUT CLOUDS KINDLY GIVE WAY

Immediately After Parade Miss Dorothy Mulno is Crowned Queen of Centennial.

LAST EVENT IS TOMORROW

George Gifford of Tipton Sings the Praises of His Home County in Speech This Morning.

Probably few realized what a combination the Rush County Centennial, Home Coming and Fall Festival was going up against when the program committee set the feature of the week—the Centennial parade—on Friday, the thirteenth, but this was a day that proved the rule and clouds and rain that threatened to mar the occasion kindly gave way before a bright sun which beamed benignly on a crowd of several thousand people that lined the streets and watched the parade—the supreme effort Rushville and Rush county is marking the celebration of Indiana's hundredth birthday.

The parade moved promptly at 2:30 o'clock and was a display that has seldom been seen here. Although many of the floats were industrial in their makeup, the Centennial was the prevailing thought that actuated all of the creations on wheels. Practically every interest in the county was represented in some way. The fraternal orders took a prominent part. The music was taken care of by three bands—the Odd Fellows, Arlington's, and Ziedman and Polle show band.

Immediately after the parade, Miss Dorothy Mulno was to be crowned queen of the Centennial at the platform at Main and Second streets. She was selected by a large plurality in a popularity voting contest.

The only prize awarded was a silver loving-cup which was to be given to the best school float. Each building in the city and the Catholic school competed with each other and against the township schools, one to the township. The judges who were to award the loving cup were Arch Davis of Newcastle, Tom Beall of Newcastle and H. B. Smith of Brookville.

The best celebration Rushville has held in years will draw to a close tomorrow afternoon when more than \$1,000 worth of seasonable merchandise will be awarded by the merchants of Rushville, promptly at two o'clock. The drawing will take place on the platform at the corner of Main and Second streets. Rules surrounding the drawing are announced elsewhere in today's issue.

The chorus from Washington school, which sang so well yesterday morning, sang again this afternoon at two o'clock and tonight an addition to the program will be several numbers by the high school boys' glee club.

Opening the program this morning a chorus from the Catholic school sang an Indiana song, George Gifford of Tipton, a former Rush county man, spoke and the chorus sang two other Indiana songs. All were loudly applauded. Samuel L. Trabue presided and introduced the speaker.

"I was struck by the beauty," said Mr. Gifford, "of the song just sung by the school children, 'Indiana we are proud of thee.' I might add 'Rush county, one of the galaxy of queens in Indiana, we are proud of thee.'"

"Six years or so ago I was invited to a home coming at Rushville and I never lose an opportunity to come back. I then had the privilege of hearing that fine old man, Joe Cannon, make a speech. He told a story

that was so good that it will bear repeating here.

"The scene was an old-fashioned Methodist revival. The evangelist asked all who wanted to go to heaven to stand up. All stood but one young man. He then asked to stand all that wanted to go to purgatory. No one got up. Finally the evangelist asked the young man why he wanted to go neither place. 'I want to go back to Rush county,' said the young man, and then 'Uncle Joe' declared that he could never understand why that young man wanted to go back to Rush county until he had come here and had seen the thousands of people at the fair ground, and the quality of them.

"There are many reasons why I like to come back. A boy or girl raised in the country instinctively has a love for that country. Patriotism is inborn. I may be hyphenated, but I imagine that my own fertile county is half of Rush county moved up north. The soil is just as fertile and frequently, while out in the country, I imagine I am up about Raleigh or Falmouth.

"I have many reasons, likewise, for loving Rush county. From the time of the first consciousness, every impression of a boy or girl is keen and lasting. The first piece of stick candy is better than the best chocolate of later life, the ham and eggs had a better flavor, the appetite was better, and, in fact, the old man thinks the girls were prettier than they are today. We had an imagination. Sometimes we old fellows color the days gone by a little, but there is enough honest truth in it for its present telling. The chase after the dollar dulls the sensibilities and we are not apt to appreciate the poetic beauties of nature as we did in our youth.

"Another thing, too, there were no pickles and farms in my boyhood in Rush county such as there are now, but I like to think of the grand old citizenship that was here at that time. Look at the monument they built up to their industry, honesty and intelligence. When I think of the Halls, the Freemans, the Caldwells and hundreds of others I could name, I can see why this monument was built up. Down near Milroy there were the Tompkins and Bowles families, over east the Frazee's and farther down the Wykoffs and Hinchmans. And so it is all over the county. The old pioneers came here and struggled with the hardships nature thrust on them and were finally victorious. When we think of the Pughes, the Arnolds and others we do not wonder at this beautiful county seat.

"I am proud to see coming from this county such men as James E. Watson, General P. A. Hackleman, Luther Benson with all his faults, Judge Morris and others. They are men that we are proud of all over Indiana.

"But the labor is not all done. There is a mission before the people of Rush county. I would like to impress this upon you. Where it used to, in my boyhood, take a day to come to, Rushville and go back to Falmouth, farmers today can wait until after supper, jump in their machine and run to town to do their trading. If they want to transact some business which does not need their presence, all they need to do is ring up on the telephone.

"But with these changes come new responsibilities and new demands. When we get gravel roads, we thought we had about all that could

SPECIAL CAR TO CARRY RED MEN

Delegation Will go to Indianapolis Tuesday to Support M. S. Cox's Candidacy

PROSPECTS TO WIN ARE GOOD

On account of the large number of Red Men and friends of Miles S. Cox, who will be a candidate for great keeper of wampum at the great council of Red Men in Indianapolis next Tuesday, wanting to attend the session arrangements have been made for a special car on the I. & C., leaving the station here at 6 a. m. and arriving in Indianapolis in good time for the opening session. A special rate of \$1.25 has been made, which is expected to attract a large crowd. The tickets will be good going only on the special, but may be used on any car on the return trip any time three days after the time they are purchased.

Considerable interest in the candidacy of Mr. Cox is being manifested and those who are most active in their support of him feel that he is sure to succeed. Meetings held throughout the county and by neighboring tribes have been marked with enthusiasm and much assistance is expected from the sister tribes. Mr. Cox has a good organization and with the enthusiasm of the large number of supporters that are expected to attend, it is believed that he has a fine prospect to win. Everyone that can do so, is invited to go on the special.

TWO ATTEMPTS TO ROB WEAKLEY HOME

Burglar is Frightened Away Both Times, Gaining Entrance at Each Trial

SAID TO BE MORE THAN ONE

Two unsuccessful attempts were made last night to rob the residence of Walla Weakley in North McClaren street. The first attempt was made about eight-thirty o'clock. The robber entered the lower hall of the Weakley home, turned on an electric light and then went upstairs. He evidently thought there was no one at home, but Mr. Weakley happened to be there and the man got out before Weakley could get to him.

The second attempt was made at about ten o'clock. This time the robber again went upstairs. Mr. Weakley got a description of the man on his second visit. Nothing of value was taken. The man entered the house from a rear door that separates the residence from the bakery, which is operated by Mr. Weakley. Mr. Weakley believes that more than one man was in on the deal as the family heard several voices on the outside following the second exit of the would-be robber.

EDUCATION DAY OBSERVED

Indianapolis, Ind., Oct. 13.—Education day was observed in connection with the Indiana centennial celebration here today. About fifty colleges and universities of the state were represented in the celebration at the fair grounds.

The 40,000 school children of this city were given a holiday to participate in the exercises.

The Norris bridge north of the city which has been recently built is finished and now open to traffic.

UNDECIDED AS TO PLACE OF TRIAL

Big Four Officials May Bring John O. Storey Here—His Partner Confesses

TELLS OF HOLDUPS HERE

Big Four railway police officials are as yet undecided whether to bring John O. Storey, held in Bloomington, Ill., as the man who held up members of two train crews in this city, back here for trial or try him in Illinois. C. W. Wait, chief of the Big Four police in a brief conference yesterday afternoon with Chief Yakey, stated that they were willing to bring him back here and the only thing that was holding them up was the Pennsylvania detectives. The Big Four people want the Pennsylvania officers to identify the man and then the place of trial will be determined.

According to Capt. Wait, the Big Four people have a confession from the partner of Storey, a man giving his name as Williams. Williams told of the operations here in which they held up the crew of a Pennsylvania train, south of the city and then came back here and held up the Big Four train crew. Storey does not know of the confession of Williams and has stoutly denied any connection with the crimes since his arrest. The officers believe there is little chance of his escaping punishment.

AGAIN FILES SUIT FOR CONVERSION

A. R. Walker Seeks to Recover Stock he Alleges Purchased in Glove Company

IT WAS ONCE DISMISSED

Alpheus P. Walker, of Indianapolis, a former resident of this county has again filed suit for the conversion of stock against Arthur B. Irvin and the Rushville Glove company. A similar suit was filed here some years ago and taken to Newcastle on a change of venue. When the case came to trial there the defendant appeared with witnesses but the plaintiff was not ready for trial and the case was dismissed. It is understood here that the costs in the Newcastle case remain unpaid.

Walker alleges that on September 1, at the solicitation of A. B. Irvin, who was president of the glove company he purchased 20 shares of stock paying Irvin the sum of \$2,000. Walker claims that the certificates of stock were never issued to him and now he demands the amount of the purchase price together with any dividends that the company has paid and six per cent interest, making a total demand of \$3,000. Walker is represented by Henley, Fenton and Joseph of Indianapolis and John Titworth of this city.

TALK OF A NEW BUILDING

Estimates today placed the loss in the fire at Milroy yesterday afternoon at \$2,500, with no insurance. All but a pool table and the cash register in the Richey pool room was destroyed and most of the furniture at the Eureka club was burned. There is already talk of a new building going up on the ruins of the two old frame dwellings. One report is that there will be a new garage in Milroy, and another that another bank may be located there.

TRAINS COLLIDE IN LOCAL YARDS

Big Four and Pennsylvania Freight Run Into Each Other at Intersection of Tracks

TWO TRAINMEN ARE INJURED

Pennsy Engine is Shoved Off Track—Worst Wreck at This Place The Scene of Many

The engines of northbound Big Four freight train, No. 56 and southbound Pennsylvania freight, No. 484 collided shortly after noon today at the intersection of the two railroads. These two roads have had more or less trouble at this crossing but the accident today was the worst of any previous wreck. Railroad men inclined to be superstitious blamed Friday, the thirteenth for the accident.

Two members of the Pennsylvania crew had miraculous escapes. The Pennsylvania train was switching in the yards. The engine and a cut of cars, three or four in the rear, and pushing a coal car, ran on to the crossing. The coal car got over and the engine had moved hardly three feet when the Big Four engine struck.

Lee Dooley and Harry Spicer of Columbus, the Pennsylvania brakemen, were the men injured. Dooley was riding on the pilot of the engine, and Spicer on the coal car, which was being pushed. The Pennsylvania engine and coal car were pushed off the track and to the north by the force of the collision. Spicer saw the collision was going to occur and jumped. Dooley had his back to the approaching Big Four engine, and did not know the accident was coming. Dooley was thrown clear of the wreckage and was rendered unconscious.

It is believed that neither of the men is seriously hurt. The peculiar thing is that Spicer, the man who jumped is the worse hurt of the two. He sustained a broken rib and a sprained ankle. Dooley was considerably bruised. Medical treatment was given both men. The fireman of the Pennsylvania engine was thrown from his cab but was not hurt. The Big Four crew was not hurt.

A long cut of cars on the Pennsylvania house track prevented a clear view of the main track to the north and the engineer of the Big Four train did not see the Pennsy engine until too late to stop. The Big Four train which was also a local, was leaving the city and was just beginning to pick up speed when the collision occurred.

The force of the collision threw both engines off the track and it will be a difficult matter to determine which of the two engines got the worst of the argument. The front trucks of the Big Four engine are completely torn away. The front was also badly battered and was carried about three feet from the rails. The rear trucks of the coal car, or the truck closest to the engine was derailed and the car thrown over on one side.

The force of the collision threw the Pennsylvania trucks out of line and one rail was completely cut into. A mess of twisted and bent iron was under both engines, and traffic was delayed several hours. The Pennsylvania sent its steam crane from Richmond and the Big Four wrecking crew was called from Indianapolis in order to clear the wreckage.

News of the wreck spread rapidly and all during the afternoon a large crowd visited the scene. Engineer Hartwell of the Pennsylvania train has been running in tough luck. He was in charge of the engine that last Sunday pushed a car through one of the walls at the Madden machine shop.

WATSON LEADS THE DAY'S COURT

Local Candidate Polls 84 Votes in Allotment Announced by Enquirer Today

H. S. NEW IS SECOND WITH 81

Watson Leads His Opponent by 420 Votes and New is 288 Ahead of John Kern

James E. Watson led on the ballots in the Indiana United States senatorial contest, announced yesterday in the Cincinnati Enquirer straw vote, but today the Democratic candidates won.

The Rushville candidate polled 84 votes yesterday in the ballots taken at New Albany and Bluffton. Harry S. New, the other republican candidate, was a close second with 81 votes at the two cities. John W. Kern, democratic opponent of New's received 78 votes and Tom Taggart, opponent of Watson's, ran a poor fourth in votes from the two places with a total of 60.

James E. Watson is gaining a big lead over his opponent and is daily increasing it. He now has 420 votes more than Taggart. New is leading Kern by 288 votes.

In the Indiana vote, Hughes has polled 2271 votes to Wilson's 1796. Goodrich, the republican candidate for governor, has 2116 to Adair's 1602.

Hughes beat Wilson by 20 in an installment of straw votes from New Albany counted yesterday. On the state ticket Goodrich received 21 more votes than Adair. The Socialist candidate received two votes. In the race for senator Watson led. New was second, Kern third and Taggart a close fourth. Hughes did not lose any Taft votes, but gained eight Wilson votes. Of the Progressive vote Hughes received 32 and Wilson 4. Goodrich gained 32 in the change of vote.

Wilson was the choice at Bluffton. He received 10 more votes than Hughes. Adair beat Goodrich by 5. Kern was first choice for Senator. New second, Taggart third and Watson last. In the change of vote on the national ticket Hughes gained three. Goodrich also gained three.

In the installment of straw votes given in the table today Wilson cut down Hughes's lead by 16. Adair beat Goodrich by 19.

In the change of vote on the national ticket Hughes gained nine. It was the same on the state ticket in favor of Goodrich.

In the race for Senator Kern and Taggart each received 53 votes. Watson 50 and New 42. The Republican candidates for Senator gained seven.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by tuning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

MISS ALMA GARVIN TO LECTURE HERE

Head of Home Economics Department of Purdue Will be in Rushville Two Days.

LOCAL CLUB BEHIND PROJECT

The Home Economics club of this city has secured Miss Alma Garvin, head of the home economics department of Purdue University, to deliver a series of lectures here next Friday and Saturday. The program has not been completed but the lectures will be given in the court house assembly room, probably in the morning and afternoon of the two days.

Miss Garvin's work is similar to that of the woman's department of the Purdue Short Course that was here last year, consisting of lectures and demonstrations. There is considerable expense attached to an undertaking of this kind and in order to meet this the local club is selling tickets at 25 cents each, entitling the holder to all of the sessions.

Members of the club here are working hard to make the meeting a success and thus far have met with considerable encouragement.

be expected in the road line, but now the old-fashioned gravel road is too narrow and too soft for the big automobiles and we have to get new roads to meet the demands of the age.

"The people of Rush county, who have such a heritage, will not fail to meet present responsibilities. They will have the best system of roads in the state that will last until the flying machine supplants the automobile.

"But what of the future? The nation has to be fed by just such communities as this. It is up to the farmers to keep their land yielding the same abundant crops. It is more important than any banking system or transportation problem. It is Rush county's duty to do the portion of the work that lies ahead of her."

Judge Gifford said Rush county had many pleasing reminiscences. The county always had a true sense of justice, he said. Mr. Gifford recalled an incident of the days when there were no fences and when farmers claimed their stock by peculiar marks. One man got a neighbor's hogs. He was arrested by the constable, who had trouble in bringing him before the justice of peace. When the prisoner was finally brought to the bar, the witnesses had all left. There was no jail, so the justice of the peace had the lower rail of a fence removed, the man's head shoved through, the rail replaced, where the prisoner was confined until the witnesses could be summoned again. The prisoner was found guilty.

REDUCES HOURS.

Crawfordsville, Ind., Oct. 13.—Boils are unusually numerous in this city, according to physicians. The football team of Wabash college has been hit hard by the boils.

Vernon, Ind., Oct. 13.—Lynn Wagner was found guilty of murdering his father-in-law, Rance Brown of Ripley county and sentenced to life imprisonment. The jury was out nearly 20 hours before reaching an agreement.

Miss June Lines of Milroy was chosen as one of the 12 girls to represent Butler college at the state centennial Friday. She is to be dressed in a Grecian costume representing one of the subjects of the college.

Joe Lines, 2 miles northwest of Milroy, suffered a badly burned hand while cleaning his gun Wednesday. A rag was fastened in the barrel and he ran a heated ram rod down to loosen the rag. The ram rod slipped and burnt his hand.

Vincennes, Ind. — Congressman Thomas Helfin, of Alabama, delivered an address here today.

Terre Haute—The Indiana Real Estate Board visited Terre Haute today. It came here from Crawfordsville and left this afternoon for Evansville.

2 BLOCKS CEMENT STREET FINISHED

Residents of North Perkins Street Relieved Because Job is Completed Before Winter

MANY DELAYS DURING SUMMER

The paving of two blocks of North Perkins street in the Stewart and Tompkins addition was completed yesterday afternoon, greatly to the gratification of the property owners residing on the street in that section. The street paving started early in the spring and numerous delays led many to the belief that the street never would be completed. At first the contractor, Walter Reinheimer, had trouble in getting the steel expansion joints, but they arrived in due time and then a delay of two months ensued because he could not get the washed gravel and pebbles as called for under the plans and specifications. He secured these some time ago and then rushed the job to completion. The street has been torn up all summer and the property owners were glad to see it completed before winter came. The street will probably be opened to traffic within ten days.

ED TONER WILL BE AT MAYS

Arrangements announced yesterday for a tour of Rush county by Judge D. W. Comstock of Richmond, republican candidate for congress, next Tuesday, Wednesday and Thursday, had to be called off today, when it was learned that he had been assigned to Hancock county for the same dates, but arrangements have been made for speakers at Mays, Carthage and New Salem where Judge Comstock was to appear.

Ed Toner, editor of the Anderson Herald and former state chairman of the progressive party, who has been taking an active part in behalf of the republican ticket this campaign, will speak at Mays Tuesday evening, October 17, at 7:30 o'clock. On the next evening at the same hour, Mr. Jaynes of Wabash, an excellent campaigner, will speak at Carthage. On the Thursday evening following, the nineteenth, A. J. Ross and others will address the meeting at New Salem. A drum corps will go from here for each meeting.

SEARCH FOR NAVY BASE ON U. S. COAST

Destroyers Make Sudden Dash to Sea This Morning, Indicating They May Know Location

LOOK FOR WIRELESS STATION

(By United Press.)

Washington, Oct. 13.—Suspicion that a belligerent government might be maintaining a secret navy base on the Atlantic caused a sudden dash for sea of the destroyers from Newport yesterday. Secretary Daniels announced today.

Admiral Mayo, commanding the fleet ordered the ships out yesterday. They will search the coast looking for a naval base, supplies and a possible wireless station, Secretary Daniels said. The arrival of the U-53 Daniels, said had caused many reports that some belligerent was maintaining a naval base here.

While the department had no information the suddenness of the departure of the destroyers gave rise to reports that the navy men had learned the location of the naval base.

REDUCES HOURS.

Vincennes, Ind., Oct. 13.—The Indiana Board and Filler company of this city has announced a reduction of working hours from twelve to eight and the men will work three shifts a day instead of two as formerly. There will be no decrease in wages.

Crawfordsville, Ind., Oct. 13.—Boils are unusually numerous in this city, according to physicians. The football team of Wabash college has been hit hard by the boils.

Vernon, Ind., Oct. 13.—Lynn Wagner was found guilty of murdering his father-in-law, Rance Brown of Ripley county and sentenced to life imprisonment. The jury was out nearly 20 hours before reaching an agreement.

Miss June Lines of Milroy was chosen as one of the 12 girls to represent Butler college at the state centennial Friday. She is to be dressed in a Grecian costume representing one of the subjects of the college.

Joe Lines, 2 miles northwest of Milroy, suffered a badly burned hand while cleaning his gun Wednesday. A rag was fastened in the barrel and he ran a heated ram rod down to loosen the rag. The ram rod slipped and burnt his hand.

Vincennes, Ind. — Congressman Thomas Helfin, of Alabama, delivered an address here today.

Terre Haute—The Indiana Real Estate Board visited Terre Haute today. It came here from Crawfordsville and left this afternoon for Evansville.

COURT GRANTS A DIVORCE

Decree of Separation Goes to Columbus Jackson

A divorce was granted yesterday in circuit court to Columbus Jackson of near New Palestine from Mary R. Jackson. The case came here on a change of venue from Hancock county. Jackson alleged cruel and inhuman treatment. The case was sent here once before, but Jackson and his wife "made up" before the case came to trial and it was dismissed. They lived together but a short time when he again filed suit for divorce. While the first action was pending she indicated that she would fight for alimony but this apparently was adjusted before the case came to a trial and this matter was not mentioned.

PURE-FOOD CHEW IS "OLD KENTUCKY"

Made in a Great Modern Factory, It is Clean, Pure, Wholesome and Satisfying

FRUITY-SWEET IN FLAVOR

When you put a chew of tobacco into your mouth, you want to be sure that it is clean and pure.

Plug tobacco is the most wholesome and satisfying form in which tobacco can be used, and Old Kentucky is the cleanest, purest of plugs. It is made in a modern factory—spotlessly clean and perfectly sanitary.

Then, too, in Old Kentucky you get the mellow taste of the most deliciously mild tobacco leaf that grows.

Old Kentucky is made of the choicest Kentucky Burley, each leaf being selected with more painstaking care than is the case with any other plug tobacco.

And the pure flavor of that leaf is carefully retained—you get the real Burley taste.

Chew Old Kentucky for genuine chewing satisfaction.

Try a 10c pocket plug to-day.

The Growing Deficit.

During the first seven days of October, the Wilson administration spent as ordinary disbursements nearly \$9,000,000 in excess of the ordinary revenues. Last year the administration ran behind only \$1,038,000 in the same time. Just why this increase in deficit should be accumulated, is not apparent. It certainly is not due to any excess of official effort in the government business, for a lot of the Wilson appointees are or have been "off the job" and out on the campaign.

Secretary of the Treasury McAdoo is spending much of his time in conferences with Chairman McCormick and President Wilson over the political situation. Secretary of Commerce Redfield is writing articles for newspapers in an effort to delude the voters into the belief that the Democratic tariff did not hurt American industry and that present business activity is not due to war orders. Secretary of Labor Wilson has been out on the campaign, making speeches intended to line up the labor vote for President Wilson. Assistant Secretary Carl Vrooman, of the Department of Agriculture, who is supposed to look after the practical operation of the Department,

No Longer a Sufferer From Asthma

After suffering from asthma and catarrh, Alfred Quantz, 542 North Seventh street, Hamilton, O., states that he now feels as strong and healthy as anyone. His letter, which follows, explains fully:

"I wish to advise you of the wonderful results I obtained from taking Nacor. I had suffered from asthma and catarrh and the doctor had advised me that my lungs were weak. I was losing in weight, coughing and expectorating, and had pains in my chest.

"I began taking Nacor on April 5, and after I had finished about one-fourth of a bottle, I could eat and sleep better. I gained from two to three pounds a week. After I had finished the bottle, I stopped coughing and even gained more in weight and strength. I now feel strong and as healthy as anyone, and my doctor upon examination, stated that I am all right now.

"I thank you so much for your medicine, and if I hear of any one that complains, I will tell them about it."

The original of this letter, as well as many others from local parties, is on file in our office and may be seen by anyone. Get a free copy of "Facts About NACOR," which will give you information regarding the use of Nacor in the successful treatment of asthma, lung troubles, bronchitis, catarrh, impure blood and run-down system. The professional services of our physician are at your disposal without charge. Write M. L. Haymann, 417 State Life Building, Indianapolis, Ind.—(Adv.)

NOTICE TO NON-RESIDENT.

State of Indiana, Rush County.

In the Rush Circuit Court.

September Term, 1916.

Evlyn White vs. Willard Colter, Harry Colter, Fred T. White.
Complaint No. 1018.

Now comes the plaintiff, by Kiplinger & Smith, and Tremain & Turner, attorneys, and files her complaint herein, together with an affidavit, that the residence of the defendant, Fred T. White, is unknown, and that diligent inquiry has been made to ascertain the residence of said defendant, but that said inquiry has not disclosed the residence of said defendant.

Notice is therefore hereby given said defendant, that unless he be and appear on the 27th day of November, 1916, the same being the 7th judicial day of the November term, 1916, of the Rush Circuit court, to be holden at the court house in Rushville in said county and State, and answer or demur to said complaint, the same will be heard and determined in his absence.

In witness whereof I have hereunto set my hand, and affixed the seal of said court, at Rushville, this 29th day of September, A. D. 1916.

(Seal) ARIE M. TAYLOR,
Sept 29 Oct 6-13-20 Clerk.

is helping the campaign. Secretary of War Baker has been away making speeches. Secretary of the Navy Daniels has been away part of the time trying to save his job for another four years. Clegg Johnson, solicitor of the State Department, has also been out on the stump, notwithstanding he is chief legal advisor of the Department that looks after our foreign troubles. Assistant Attorney General Graham is doing politics in New York, where an effort is being made to bring Tammany to the support of the ticket.

With these and many more men high up in the Wilson administration away from Washington, it is difficult to understand why there should be such an increase in expenditures as compared with receipts. While it is true that some of the Departments are sending out vast quantities of public documents printed at public expense and addressed and mailed by government employees, for the purpose of showing what this administration claims to have done for the country, it is hardly probable that such a large amount as \$9,000,000 could be spent in any such way.

Of course, the whole \$9,000,000 is not spent here in Washington. Much of it is disbursed through local government officials in the several states. While those local of-

ficials are forbidden to engage in "pernicious" activity in politics, they have been informed that here is nothing in the rules to prevent them from exercising their rights as citizens, and most of them understand this to mean that the administration expects them to deliver the goods on election day. That may account for a part of the deficit of \$9,000,000 in seven days, as compared with a deficit of about \$1,000,000 in the same time last year, when no campaign was in progress.

At any rate, the fact remains that the administration spent \$21,894,757 in the first seven days of October, and took in only \$13,033,360, leaving a deficit of \$8,951,397 notwithstanding the new taxes the administration imposed just before Congress adjourned about a month ago.

We put it up to Hundreds of Dentists

Long before SENRECO was offered to you we submitted it to hundreds of dentists, requesting that they put it to every test. Told them that we believed Senreco to be an unusually good dentifrice, especially as to its cleansing qualities and its remedial action on sore, soft, bleeding gums; in the treatment of Pyorrhea, etc. Submitted the formula and asked them their opinion. They tested Senreco from every angle; some going even so far as to make a chemical analysis—

And They Voted Yes

With practically one accord—said:

"Senreco appeals to me more than any dentifrice I have ever seen." "I cannot say too much for Senreco. It's one of the best I have used." "I can recommend Senreco as the best." "Makes the teeth glister and is free from injurious ingredients, including pumice and grit." "I am indeed glad to get a tooth paste that does the work." "Congratulate you on formulating a dentifrice that gives one a new idea of mouth cleanliness, etc." (These quotations are from the dentists' reports. Originals on file at our office.)

With such endorsements from the men who know why not get it for your dealer today and get a tube of SENRECO—35c. Keep your teeth REALLY CLEAN, and protect yourself against Pyorrhea and decay.

A copy of the folder, "The Most General Disease in the World" together with a liberal trial size tube of SENRECO will be mailed you for 4c in stamps. The Sentinal Remedies Co., Inc. Dept. B, Masonic Temple, Cincinnati, Ohio.

Solid Mahogany Four Poster Bed
Displayed Over 100 Years Old

It is doubtful if anything has caused more comment than the old four poster bed on display in the Maunzy company's window. It is over 100 years old and is solid mahogany. The bed had not been moved out of one room for 63 years until it was taken down and brought here to the Centennial. It is easily twelve feet tall. The bed was formerly owned by Jerry Becker but is now the property of Ollie Offutt of Arlington.

Other things on display at Maunzy's are: a quilt woven by the grandmother of A. B. Flinn in 1816, candlesticks over 100 years old, grease lamp 150 years old, flute 125 years old, all the property of Mrs. A. B. Flinn; a quilt 80 years old, belonging to Mrs. Ollie Offutt; wedding presents given Mr. and Mrs. John Garvin in 1859, ornament for mantle 100-years old, pipe over 100 years old, work box 100 years old, all loaned by Mrs. William Brown; part of china set 88 years old, steak plate 120 years old, pistol with bayonet over 100 years old, all donated by Mrs. Harry Kramer; a tailor's goose 100 years, candle molds used in 1900, candlestick 104 years old, fan 48 years old, black lace shawl 75 years old and veil worn by Alice Norris' grandmother, fan 40 years old, bonnet 50 years old, a violin made in 1834, all loaned by Miss Alice Norris; a whale's tooth 56 years old, a coverlid over 100 years old, a picture of Mrs. Lucretia Buck, grandmother of Mrs. Ed Lee, a spinning wheel over 100 years old, a scrap book over 100 years old, a mini ball taken up by Dr. John Sparrier during the civil war, a petrified apple taken from a burning house by Dr. Sparrier during the war, trunk over 100 years old, kettle over 100 years old, all the property of Mrs. Ed Lee of Jersey City; a spinning wheel over 100 years old, loaned by Mrs. Anna Beachard, saddlebags used by Dr. Maunzy over 100 years ago, glass globe brought home from the civil war by Captain Frazee, all loaned by Mrs. Sell Webb; a steak plate 125 years old, loaned by Miss Laura Alexander; chair over one hundred years old, donated by Mrs. Bickhart; bonnet 75 years old, footwarmer over 100 years old, both loaned by Mrs. Gertrude Conde; a homespun linen dress, loaned by Mrs. Frank Sample; two bonnets over 100 years old, donated by Mrs. John A. Sparrier; a bonnet 75 years old, donated by Mrs. Harrie Jones; a dress imported from Paris in 1870, the property of Mrs. Will Keck; and English horse pistol found by Elmer Westfall in the mountains of Mexico; cherry stand over 100 years old, loaned by Mrs. Puntene; a scrap book with clippings from the life of General P. A. Hackleman, owned by Mrs. Ira Ayres; a blunderbuss gun 125 years old brought from London in 1850; a style book of 1816, the property of Mrs. J. R. Carmichael; a Cincinnati Gazette of 1827, the property of Mrs. Ira Ayres; a quilt designed and made by Mrs. B. F. Morris 75 years ago; clippings from the Jacksonian of 1852; a book 73 years old, loaned by Mrs. E. A. York; one of the lanterns that signaled Paul Revere on his famous night ride over 100 years ago, the property of Frank Sample; a wedding dress 63 years old, loaned by Mrs. Ed Beer; a quilt spun from flax in 1825, hand-woven quilt 68 years old, a lace shawl over 70 years old, all the property of Mrs. William Alexander; a cluster of peacock plumes, owned by Mrs. George Thomas; an old print dress; a piece used to measure yarn, the property of Mrs. F. G. Hackleman; cross stitch work 67 years old, brought from Ireland.

At Weeks Fresh Meat and Provision company is to be found a water bottle over 175 years old, belonging to Ed Haywood; a half bushel measure sealed by Job Pugh, the first auditor of Rush county, who died suddenly while seated at his desk, a pot trample many years old, a wooden square used in the early days, an old Virginia tar bucket carried by the emigrants going west in wagons in the early days and an old wooden bowl, all the property of George W. Thomas.

In the Hargrove and Mullin drug

store are being shown some china made in 1821 owned by the Muir sisters; a tribolt loaned by George H. Davis; an article snuff box 75 years old owned by Mrs. Will Martin; state bank money owned by Ben McFarlan; a platter made in 1836 loaned by Mrs. C. L. Smullen; a sugar bowl 80 years old loaned by Mrs. Charles Bateman; some spectacles 171 years old worn by a revolutionary soldier loaned by Mrs. H. S. Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a ringing sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free.

"EUROPE'S MAD KING" EXPIRES

Otto of Bavaria First Found to be Insane When he Charged Stone Wall With Cavalry.

HE LIVED LIKE A SAVAGE

(By United Press.)
Copenhagen, Oct. 13.—King Otto of Bavaria, "Europe's mad king," died suddenly yesterday at the castle of Furesten where he has been for several years.

The "mad King" startled Europe before he was declared incapable of ruling and was succeeded by his cousin, King Gundwig, III. During the Franco-Prussian war Otto first showed signs of insanity when he called out a troop of cavalry to charge a stone wall. The stone wall he said was a body of French infantry. Later he was summoned by the kaiser and it was reported that a letter was found in his possession which offered to make peace with France.

Several years ago he was imprisoned. He is reported to have lived like a savage, refusing to have his nails trimmed or his hair cut and avoided water and soap.

Mrs. Dora Lawson Feels Fine in
Mornings Since Trying
Tanlac

Muncie, Ind., Oct. 12.—Mrs. Dora E. Lawson, a well known resident of this city, recently offered the following praise for Tanlac:

"For two or three years I have suffered with attacks of extreme nervousness. My appetite was poor and I had no strength. Severe headaches bothered me. At night I was unable to sleep.

"Almost immediate relief came after I started taking Tanlac. The headaches are occurring less and less frequently now. My strength is returning. I get up in the mornings feeling fine now and I'm able to do much more work than formerly."

Tanlac, the Master Medicine, is especially beneficial for stomach, liver and kidney trouble, catarrhal complaints, rheumatism, nervousness, sleeplessness, loss of appetite and is fine for building up to health and strength, weak run down people. Tanlac is now sold exclusively in Rushville at F. E. Wolcott's drug store; in Arlington at Mrs. L. T. Davis's; in Carthage at J. H. McCarthy & Sons, and in Mt. Vernon at Barton & Sheppard's.—(Adv.)

BIRTHDAY DINNER

The pretty little dinner party given today by Mr. and Mrs. Ben Sparks at their home in North Main street was in honor of the birthday of Mrs. Sparks mother, Mrs. Lowe. A birthday cake adorned the center of the table where the delicious dinner was served to Mr. and Mrs. Lowe and daughter, Raeburn and Mr. and Mrs. Martin and two daughters of St. Paul.

* * *

FOR BIRTHDAY

Mr. and Mrs. George Moore entertained at dinner yesterday in celebration of the birthday of Mr. Moore. With a color scheme of pink and white, the table was prettily arranged, a bouquet of carnations being in the center of the table. A sumptuous course dinner was served. Covers were laid for Mr. and Mrs. Jossie Moore and daughter, Ruby, and Mr. and Mrs. Will Moore of Milton, Mr. and Mrs. John Abernethy and son, John, Mr. and Mrs. Glen Moore and son, and Mr. and Mrs. Otto Bussard and daughter.

W. R. C. CONVENTION

Mrs. Alice Bainbridge of this city took a prominent part in the district convention of the W. R. C. held in Connersville Wednesday. During the afternoon meeting, the Connersville Corps was inspected by Mrs. Bainbridge. It was the 26th annual convention of the kind and the one next year is to be held in Liberty. Mrs. Mary C. Smith presided over the meeting which convened at 10:30 o'clock; reports were given by each of the chapters; a report of the national encampment at Kansas City was given. Mary Little of Connersville was elected as president for the coming year.

Excellent meals were served to the seventy ladies attending. Supper was served at the Presbyterian church.

FOR PLEDGES

In honor of their new pledges, Miss Olive Buell and Miss Kathryn Petry the members of the Tri Kappa sorority gave a pretty dinner party last evening at the home of Mrs. Roy E. Harrold in North Perkins street in the form of a pitch-in. A delicious course dinner was served to the guests who afterwards attended the centennial. Aside from the sorority pledges those enjoying this pleasant evening together were Miss Hannah Morris, Miss Cloranne Amos, Mrs. Jack Knecht and her sister, Mrs. Yader, Mrs. Fannie Stiers, Mrs. Walter Capp, Mrs. Will Norris and her guest, Miss Ramona Norris of Carthage, Miss Jessie Kitchen, Miss Edith Buell, Miss Helen and Miss Esther Black, Mrs. Hubert Innis, Miss Mary Williams, Mrs. Earl Moore, Miss Nellie Baldwin, Mrs. Mary Doyle and Mrs. Louis Neutzenhelzer.

PRETTY DANCE

Perhaps the prettiest dance of the week so far was the one last evening at the skating rink, when the most formal of the nightly dances of the week was given. An immense crowd of about 75 couples enjoyed the party throughout the evening and prominent among the dancers were the many out-of-town guests who motored to this city from Connersville, Indianapolis, Greensburg, Shelbyville and other surrounding towns. Sherman's three piece orchestra played lively music during the course of dances. Decorations in keeping with the other dances of the week were used. Autumn leaves and American flags and colors, suggestive of the season and occasion adorned the huge place, which was arrayed for the pleasure of the guests. Several of the many out-of-town visitors were the Misses Martha, Lou and Frances Kerehival, Laura Goyette, Ruth Sefton, Mr. and Mrs. D. Batterton, James Latham, Carl Zoler, Zip Finley, Pete Megee, Mr. Mitchell, Lonie Lambert, Alex Levenstein of Greensburg, Miss Corinne Shrader, Don Waney and Donald Gray of Connersville, Miss Mary Bookwalter of Indianapolis, Mr. and Mrs. Erle Hamilton of Kingston, Morris Drake, Earl Porter, George Birely, George Raymond and Horace Wagoner of Shelbyville.

SURPRISE ON MISS MCKEE

The members of the Mission Circle of the Christian church at Orange surprised Miss Kathleen McKee daughter of Mr. and Mrs. John McKee at her home 3 miles south of Orange last evening, the event being in honor of her 13th birthday. The regular meeting was carried out. The interesting program was followed by a business session and the service of delicious refreshments. The next meeting of the Circle will be at the church in one month.

LUNCHEON

Mrs. Walter Reinheimer was hostess for the pretty luncheon given at the Scanlan House today in honor of Mrs. Canfield of Aurora who is the guest of Mrs. John Kiplinger. Pink and white was carried out in the appointments with carnations of these colors in the center of the table. Dainty cards marked the places for Mrs. Canfield, Mrs. Kiplinger, Mrs. Charles Frazee, Mrs. Clarence Cross, Mrs. Rich Reed, Mrs. Hillary Haydon and Mrs. Reinheimer.

AT THE CAPP HOME

While observing the centennial, a jolly company of friends are having an all day affair at the spacious home of Mr. and Mrs. Frank Capp in North Main street today. At noon an elegant dinner was served in buffet style to the guests and supper this evening will be the closing feature of the day. The delicious meals were furnished in pitch-in style. The friends assembling in this informal and delightful way are Mr. and Mrs. Albert Denning Mr. and Mrs. Alvan Moor, Mr. and Mrs. John Blackledge, Mr. and Mrs. F. G. Hackleman, Mr. and Mrs. A. L. Riggs, Mrs. Anna Cox, Mrs. Plough, Will Bliss, Miss Lamett, Mrs. Anna B. Cox, Mrs. Harriet Plough, Will M. Bliss, Miss Mary Louise Bliss, Mr. and Mrs. J. P. Frazee and children, Frances and Havens, Mr. and Mrs. Will M. Sparks, and children, Dorothy and William, Mr. and Mrs. Robert Tompkins, Mrs. Jane Kincaid, Mrs. Emma Havens, Mr. and Mrs. Homer Havens, Mr. and Mrs. O. M. Dale, Mr. and Mrs. Lee Dancer of Camden, Ohio, Mr. and Mrs. Albert Capp, and family, Mr. and Mrs. Walter Capp, Mr. and Mrs. T. W. Lytle, Mr. and Mrs. Vern Norris and son, Alfred, Mr. and Mrs. Lewis Sexton, Mr. and Mrs. A. L. Stewart, Mr. and Mrs. John Walker, Mr. and Mrs. T. W. Betker, Wilbur Cox, Mr. and Mrs. Houston of Winchester, Mrs. James E. Watson and children, Kathryn and James, Miss Lena Buell, Raton, N. M., and Allan Blackledge.

BUTTER MILK IN COOKING

With the increasing use of butter milk by doctor's orders, there has come back, in some measure, the practice of using it in cooking. This is fortunate for the taste as well as for the health. No cakes are more delicate than those prepared with butter milk. Use one and one half more butter milk than the meal or flour. Mix thoroughly and when smooth add a salt spoon full of soda or more if a large quantity of cakes are to be made. Cakes can be made in this way of graham or white flour, buckwheat or rye meal, and all are delicious. There are just two secrets about the use of butter milk in making cakes. The first is, always use enameled ware for the mixing as the acid of the butter milk easily affects metal. The second is, be careful only to use just enough soda to offset the acid.

ACT QUICKLY

Delay Has Been Dangerous in Rushville

Do the right thing at the right time. Act quickly in time of danger. In time of kidney danger Doan's Kidney Pills are most effective. Plenty of Rushville evidence of their worth.

Mr. W. A. Wylie, 824 N. Arthur street, Rushville, says: "I never had kidney trouble until quite recently. Now, I appreciate what a serious complaint this is and how severely one can suffer from it. The trouble began with a dull, dragging pain directly across my kidneys and over my hips. I was utterly unable to do my housework for a week and was in misery. Others of my family had taken Doan's Kidney Pills with excellent results, so I got some from Lytle's Drug Store. Soon the pain in my back disappeared. Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Wylie had. Foster-Milburn Co., Props., Buffalo, N. Y. (Adv.)"

LET'S CONTRACT ON 2 IMPROVEMENTS

City Council Gives Thomas S. Cauley Job of Paving Alley and Widening Street

HIS BID ONLY ONE RECEIVED

Contracts for paving the alley between Main and Perkins street running north and south between Fifth and Sixth street and of paving the street and alley intersections in North Main street were awarded to Thomas S. Cauley last night by the city council.

The alley is to be paved with cement. The Cauley bid called for the cement pavement at the rate of \$1.20 a square yard and thirty-five cents a lineal foot for curb. This square of alley paving is to be built without any cost to the city excepting the alley intersection. The bid of Cauley was the only one received and was the same as the engineer's estimate.

The work in North Main street is the widening of the intersections at Twelfth and Thirteenth streets and one alley intersection. Sidewalks were recently put in here and the paving of the intersections is to be done to help in the drainage. The bid of Cauley called for brick pavement at \$1.87 a square yard; twenty-five cents a lineal foot for six inch curb and seventeen and one-half cents a foot for four inch curb.

Under the terms of the contract both pieces of work are to be completed by December 1, and the contractor plans to start work immediately. The council met in special session for the purpose of receiving bids on these two improvements.

CITY OFFICIALS IN COURT

Injunction Suit Against Hammond Officers Heard Today.

(By United Press.)

Indianapolis, Ind., Oct. 13.—John D. Smalley and other city officials of Hammond, Ind. today were scheduled to appear before Judge A. B. Anderson in federal court and reply to injunction proceedings brought against them by the Chesapeake and Ohio Railway company of Indiana to prevent the city from interfering with the operation of the railroad. A temporary injunction was issued when the council declared the road's franchise null and void after the railway company refused to construct a new depot.

Mrs. Arthur Cramp of Marion is visiting Mr. and Mrs. Charles Bales of this city.

A DEPENDABLE DRUG STORE

It has been my aim for the past 30 years to run this kind of a DRUG STORE.

Purest drugs that do for nature what nature fails to do for itself. We never substitute and always keep a fresh stock and charge no more for the best.

The best place in the City to get a nice cool drink, but not the kind that will make the children run from you when you come home. If you have not tried our soda, believe me, you have been missing a good thing.

DYSPEPSIA OF WOMEN

Special Treatment Required.

Many women suffer from a form of indigestion or dyspepsia which does not yield to ordinary treatment. While the symptoms are similar to those of ordinary indigestion, yet the medicines usually prescribed do not restore the patient's normal condition.

There seems to be a kind of dyspepsia caused by derangement of the female organism. While this appears to be the same as ordinary indigestion it can be relieved only by a medicine which, besides acting as a stomach tonic, is good for female ailments. Read what such a medicine did for Mrs. Williams:—

She says:—"Before I began taking Lydia E. Pinkham's Vegetable Compound I was troubled with dyspepsia and bearing down pains in my back and sides, and after my meals my stomach would bloat up till I could scarcely get my breath. At times I was so weak I could hardly stand on my feet and I looked hollow-eyed and my skin was yellow. Now I have a good color, have gained in every way and can do my work without any pains. I think it is the best medicine on earth for stomach troubles of women."—Mrs. NELLIE WILLIAMS, 31 West 3d Street, New Albany, Ind.

WAYS OF COUNTRY MUST BE CHANGED

Speaker at Convention of Disciples Declares America is Following Path of Babylon.

BLAMES LIQUOR TRAFFIC

Says We Are Exceeding Speed Limit in Living in Manner We Now Are.

(By United Press.)

Des Moines, Ia., Oct. 13.—America is treading the path that Babylon took, and to assure a destruction unless she changes her ways. This was the view of E. E. Violett, world traveler, author and lecturer, in an address last night to the general convention of the Disciples.

"America, last in a long line of mighty nations, cares little for home and state and church but must have revenue," he said. "She is getting it at the price of 490,000 men and women slain, 1,000,000 crippled by the licensed liquor traffic every year; she is getting her revenue at the price of 600,000 young lads starting annually down the Primrose Path; America is getting her revenue at the price of 500,000 young women going nearly to worship at the brothel-shrine, she is getting revenue at the price of cheapened character and broken marriage vows.

"The sins of American are the ancient sins of buried nations arrayed in the scant raiment of our rapid age. Young America is built for Speed, and she is exceeding the speed limit.

"America scarcely takes the world war seriously except for business reasons. Our murder machine tanks, and knights of the nitroglycerine smart set are secure in the

ark of American prosperity on a sea of blood.

We prate of our prosperity with prices soaring above the heads of our poor, while a whole world is begging for bread.

"It is a statement of solemn and momentous fact that the religious and educational destinies of all nations depend now upon America. We are on the eve of two great epochs—a time of social and industrial upheaval with the masses exploiting the classes, or a time of educational political and religious awakening."

DECLINED AUTO TO RIDE IN STREET CAR

New President of Argentina Turned Down Offer of Friend Who Supported Him.

SAYS TAXIS ARE PLENTIFUL

(By United Press.)

Buenos Aires, Oct. 13.—President Irigoyen, who was inaugurated yesterday, turned down the offer of an automobile, of which a friend wanted to make him a present. It wasn't so much the rejection of the gift, for in this respect most Argentines think he was quite right, as the manner in which he did that attracted attention.

The machine was the product of the only auto factory in Argentina, owned by Horacio Anasagasti. This individual's father was a close personal friend and political supporter of Dr. Irigoyen. He also gave large sums to the radical party, of which Irigoyen is the head. The son has known the president-elect since the former was a little boy. Recently he sent an automobile to the doctor, with a message to the effect that it would give him supreme delight if Irigoyen would ride in it to the capitol when he was inaugurated, a trip which the president-elect had already announced he would make in a street car.

In returning the machine to Don Horacio, the doctor sent this message:

"Any time I want an automobile, there are plenty of taxis—I can hire in Buenos Aires."

WEAK AILING CHILD

Made Strong by Delicious Vinol

Lakeport, N. H.—"Our little girl 8 years of age was in a debilitated, rundown condition and had a stubborn cough so she was weak and ailing all the time. Nothing helped her until we tried Vinol. Then her appetite increased and she is strong and well, and I wish other parents of weak, delicate children would try Vinol."—Geo. A. Collins.

This is because Vinol contains the tissue building, strengthening elements of beef and cod liver peptides, and glycerophosphates which a weak and rundown system needs. (Advertisement.)

EFFECT IS SEEN ON MOTHERHOOD

Will Try to Find Out What Trades Are Most Injurious to Motherhood—Looking to Future.

WILL DETERMINE FACTS

Part Woman is Playing in Labor in England Results in Starting an Investigation.

(By United Press.)

London, Oct. 13.—Is the great part that woman is playing in the labor of the nation affecting motherhood?

The answer to this query, agitating those interested in conservation of the race, will be given as the result of a big investigation set on foot here today.

The investigation, which is authorized by the government, is being conducted by the Women's Industrial Council. On account of the future activity of women workers after the war, the probe is designed to point out what trades, newly acquired by women, are most injurious to motherhood. Recommendations for beneficial legislation in favor of the future of the race will then be made.

"Our chief object is to approach impartially industrial occupations, both old and new, to find out whether the muscular action or the strains and stresses involved in certain processes have an effect on future child-bearing of ordinary women workers," said Mrs. H. Taylor, head of the Industrial Council today.

Today's investigation is only one of many, which will be launched in favor of England's future generations.

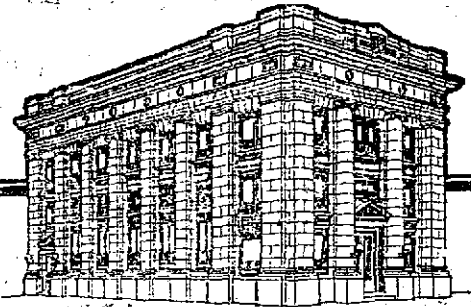

NEVER ANY KINGSTON.

Washington, Oct. 13.—Admiral Greaves, commander of the detachment of destroyers believes there was no steamer by the name of Kingston sunk by the German submarine, he reported to the navy department. In his opinion, he said, the name Kunson, one of the steamers sunk, was mistaken for the Kingston. He believes all survivors have been accounted for and has ordered the destroyers back to Newport.

ART HITS FIREMEN.

Evansville, Ind., Oct. 13.—Firemen of this city have "bowled to art." They are busy making artistic shawls for their wives when they aren't pouring water on some blaze. Fireman William Brummitt, showing his latest designs, stated that the price of yarn was getting so high that the firemen would have to find some less costly pastime.
